

Page 14 1 signed anything with him, you know, just meeting with him 2 one time. It would be a pretty big commitment. But 3 perhaps. But the second one was with a meeting with Adam. 4 Q When you say "second one," I'm going to -- I'll 5 call this one a Bill of Sale. It's kind of what it's 6 called. 7 So when you say "second one," are you referring to 8 this document here, the Bill of Sale? 9 A Yes. 10 Q Going back to the first document, the AOB, when 11 you signed it, did you understand what it was that you 12 were agreeing to? 13 A I believe so, yes. 14 Q What was your understanding? Just generally. I 15 don't need legal, you know. 16 A That we were engaging in a contract with SFR 17 Services to repair our roof and it would go through their 18 process of them dealing directly with the insurance 19 company. 20 Q And did you understand that SFR would be paid 21 by -- essentially paid by insurance if insurance indeed 22 paid? 23 A Yes. But we were also told at the time that any 24 checks that were paid to SFR would require our signature 25 as well as theirs, so it was like a three-party check	Page 16 1 than what you have already told me? 2 A I can't think of what else he possibly would have 3 said. No. I think I've covered it. 4 Q I take it that you, Mr. Welsh, and Mr. McConnell 5 were there; is that correct? 6 A Yes. 7 Q Was anyone else there that you can remember? 8 A No. 9 Q When was the next time that you communicated with 10 anyone from SFR? 11 A I probably did not. And probably -- then Bob 12 handled most everything. I backed out of it at that 13 point. 14 Q So after that meeting where you signed the AOB and 15 possibly another document, as far as you can recall, you 16 didn't communicate with SFR after that point? 17 A Not that I recall, no. 18 Q At some point, did you come to learn, perhaps 19 indirectly, that your insurance company had agreed to pay 20 for your insurance claim? 21 A Yes. 22 Q How did you learn that? 23 A I'm not exactly sure. I don't recall. 24 Q I take it that at some point after that, after 25 your insurance company agreed to pay the claim, SFR
Page 15 1 endorsement policy. 2 Q Did you read this AOB before signing it? 3 A I'm sure I did. I don't recall that I did, but 4 knowing myself, I probably did. 5 Q And the second document, again, that I'm calling a 6 Bill of Sale, did you read this before you signed it? 7 A Yes. 8 Q What did you understand this document -- what did 9 you understand to be the purpose of this document? 10 A It was a contract that we were engaging in with 11 SFR Services to repair our roof as well as interior 12 damages and the skylights, the vents, the soffits, the 13 fascia, that they were going to repair all of that. 14 Q And the next page -- and I realize this is a 15 little bit small. 16 Is it your understanding that this is the back 17 page to the Bill of Sale? 18 A Yes. 19 Q We will talk about this next document later on. 20 Let's go back to -- I guess it would have been the second 21 meeting, which was Adam McConnell. Is that correct? 22 A Yes. 23 Q I think you testified that you signed at least 24 this document, we will call it the AOB, at that time. 25 Did Mr. McConnell say anything else to you other	Page 17 1 notified you that it was going to begin work? 2 A Yes. 3 Q Based on what you have already testified, I assume 4 that they didn't communicate that to you directly; is that 5 correct? 6 A Correct. Yes, that's correct. 7 Q Did SFR, in fact, begin work on your house at some 8 point? 9 A Well, it's not -- I mean, it's a technicality, but 10 it's not really SFR. I believe that they sub it out. And 11 there's a company called Steve Frontera that started work. 12 Q Do you recall when that happened, when Frontera 13 started work? 14 A No, I do not. 15 Q Does this Bill of Sale accurately describe the 16 work that Frontera was to do? 17 A Yes. 18 Q I'm sorry, I think I turned the share screen off. 19 I'm pointing to it without it being visible. 20 I'm referring to this document that was previously 21 on the screen. 22 Does this accurately -- 23 A Yes. 24 Q -- reflect the work that Frontera was to do? 25 A Yes.
